Course Information – to be retained by the candidate

Course Overview:

The internationally recognised Royal Lifesaving Society (RLSS UK) National Pool Lifeguard Qualification (NPLQ) is not only a qualification that will train you to become a Pool Lifeguard but can also be a stepping stone into a career within the leisure industry. In order to perform lifeguard duties, candidates must be physically fit, have good vision and hearing, be mentally alert and self-disciplined. The course requires a minimum of 36 hours training and requires **100% attendance**. The course will be delivered using a variety of methods including:

- PowerPoint Presentations
- Flip Chart Exercises
- Guided Group Discussions and Activities
- Practical Demonstrations and Training

The NPLQ certificate is valid for 2 years from the date of successful completion of the course.

Topics Covered:

The NPLQ covers all elements of Pool Rescue Techniques, Lifeguard Theory, First Aid and CPR. The course is physically demanding and will include swimming to set times, lifting casualties and diving to the deepest part of the pool. Approved prior learning can be applied upon proof of certification, please ask your trainer for further details. For full details on the courses content and to view RLSS UK policies, please visit:

<https://www.rlss.org.uk/policies>

Equipment Required:

You are required to bring the following items to the course:

- Photographic Identification (must be shown to the trainer on the first day of the course)
- A whistle
- Swimming costume
- Towel
- Shorts and t-shirt to be worn in the water
- Pen / pencil

Some training days may include water work on more than one occasion and candidates may prefer to bring two sets of towels, shorts and t-shirts.

Course Times: 8am – 4.30pm Saturday and Sunday – includes assessment time

Course Fee: £284.35 – payment can be made over the phone by calling 449888

Please bring: A packed lunch or money to purchase. Tea and Coffee will be provided

Course Assessment:

The NPLQ course syllabus and practical skills are continually assessed by the course trainer and a suitable level competence must be achieved to be put forward for a final independent assessment. The assessment will include written theory and verbal questions, practical demonstrations of water rescue skills and CPR & First Aid.

If you have any questions prior to the start of the course, please feel free to contact your course trainer using the details below.
